If you have made your costume, approximately how long has it taken to complete your outfit? Did you spend hours looking for the right materials or learning a new skill?

If your costume is made up from bought items, please give details of any pieces you spent time searching for and how long it took to adapt them to your finished cosplay.

SECTION 4 Passion

In your own words please tell us what you love about your character and why you wanted to cosplay them.

Please tell us the reasons why you love cosplay. Include how long you have been cosplaying for, what cosplay means to you and how it enhances your life.

Competition Rules and Guidelines

Entry is free to all attendees with a valid purchased ticket. Entrants with complimentary passes may enter but in the interests of fairness will not be eligible for prizes. In these circumstances special commendations may be awarded at the discretion of the judges.

All contestants must complete a Competition Entrance Form prior to registration, which will take place between 10am and 1.30pm in the main character and prop marquee. Whilst forms will be available on the day it is highly recommended they are completed prior to the event. Please give them as much information as possible as this will be used in the initial judging stage to decide the finalists in each category. A photograph or picture of the character you are portraying and/or the construction of your costume would also be beneficial and may be attached to your entrance form. Please use copies as we will be unable to return them at the end of the competition.

During registration each contestant will be photographed (front and back). Should there be a particular piece of your costume you spent hours slaving over or has a lot of detail that may be missed, please speak to the team and we will be happy to include a close up of that item.

To make the competition as fair as possible each judge will independently award up to 5 points for each section. The scores will then be added up and the 5 highest scores will have an extra opportunity to wow the judges in the finals later in the afternoon, where they will make their final decision based on the overall scores and any additional information provided.
